

**QUAD FOLD LOUNGER  
ASSEMBLY INSTRUCTIONS**

**WEIGHT  
CAPACITY  
130  
KGS**

**Unfolding the lounger:**

1. Take the lounger out from carry bag.

2. Unfold the lounger with force on left and right.

3. Push down the foot and back lock in place so the fabric is in tension. Use the levers under the armrests to lock to the desired position.

**Folding the lounger:**

1. Release the levers under the armrests and pull up the foot and back locks.

2. Fold the lounger with force from left and right and make sure the pillow and the lumbar support are on top of the lounger so they are not in the way of folding.

3. Put folded lounger into zippered carry bag.
