

T050801178 - HEXAGONAL BBQ & FIRE PIT

DARCHE
OUTDOOR GEAR

WARNINGS

This product is for outdoor use only. Do not use the product inside a house, tent, car, or confined space. Please use it outdoors in an area with adequate ventilation. Before using this product, please carefully read the instruction manual

SAFETY PRECAUTIONS

Always place the Hex BBQ and Fire pit on a stable, non-flammable surface away from any flammable materials such as dry grass, leaves, or overhanging branches.

Keep a fire extinguisher or bucket of water nearby in case of emergencies.

Do not leave the appliance unattended while in use, especially around children and pets.

Use heat-resistant gloves and long-handled tools when handling hot surfaces or cooking utensils.

Allow the appliance to cool completely before moving or storing it.

Do not use the Hex BBQ and Fire pit indoors or in enclosed spaces.

Follow all local fire regulations and restrictions when using the appliance in public areas or campsites.

CONTENTS

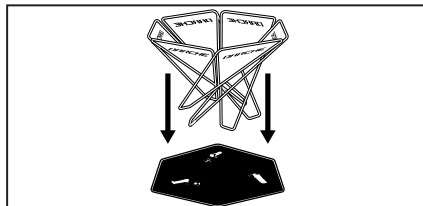

- 1 x Hex BBQ
- 1 x Base plate
- 1 x Cast iron trivet
- 1 x Grill rack
- 1 x Hexagonal plate
- 6 x Rectangle sections
- 1 x Storage bag

SETTING UP

Lay out all the components and ensure that you have all the necessary parts listed in the assembly manual.

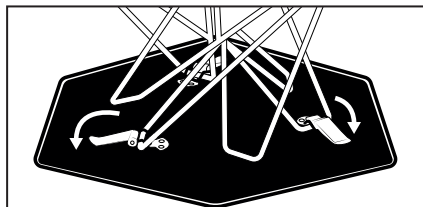

STEP 1.

Fold Out the Hex BBQ and place on top of the base

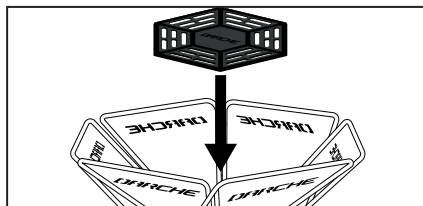

STEP 2.

Attach the legs to the base plate securely, ensuring they are evenly spaced for stability.

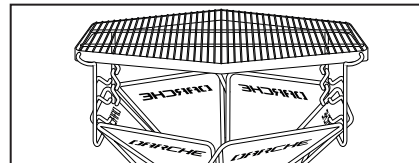

STEP 3.

Place the cast iron trivet in the bottom of the bbq

USAGE FOR COOKING

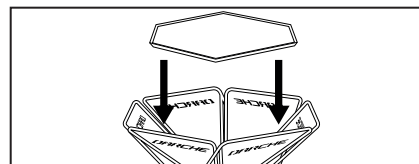

Place the grill rack or cooking grate on top of the fire pit, ensuring it is securely in place (choose the desired height)

USAGE FOR REDUCED SMOKE FIRE PIT

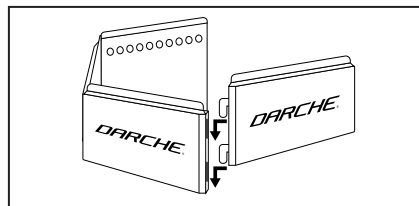

STEP 1.

Inset the hexagonal plate into the top of the fire pit.

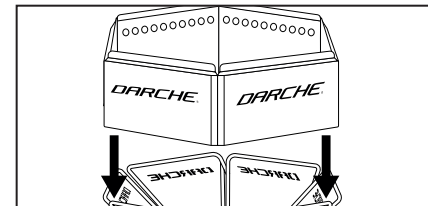

STEP 2.

On the ground, click together the 6 rectangle sections (ensure logo is facing up), slotting in each section to create the fire pit attachment

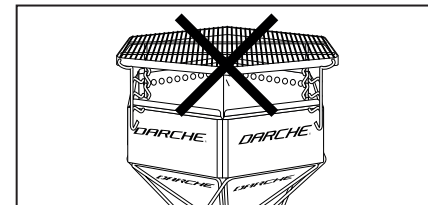

STEP 3.

Once all in place, place the fire pit attachment on top of the fire pit.

NOTE:

Please note the grill cannot be used whilst using this attachment.
