

PADDED CAMPING STRETCHER

Please read this user manual carefully before use
and please keep it for future reference.

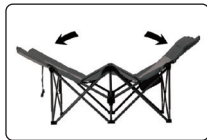

STRETCHER INSTRUCTION SHEET

TO SET UP:

STEP 1:

Select a smooth level site and stand the frame on its feet.

STEP 2:

Grasp the corner legs and slowly unfold the frame, completely expanding the stretcher's surface until it is level.

STEP 3:

Put hands on left and right poles of footrest, press down both poles at the same time until you feel the plastic "snap" as you guide the connector into place.

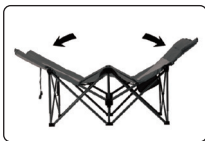

DONE!

TO TAKE DOWN :

STEP 1: Standing on one side, locate the plastic connector in the middle of the lock bar pole. Then press down on the plastic connector. Repeat on the other side.

STEP 2: Raise both side pole up, beginning at opposite ends, slowly fold the frame up, raising its ends toward the middle.

STEP 3: Place unit into its storage bag. Zip to close.
