

Installation & User Guide

LED Awning Lights

LEDAL-250-DC | LEDAL-290-DC | LEDAL-500-DC

Thank you for purchasing a Perception Lighting Product!

Our Dual Color LED awning lights have been specially designed to provide a super bright, power saving light to many interior and exterior applications. With its unique appearance and touch dimmer switch the Dual Color LED awning light is ideal to be mounted to campers, caravans RVs and canopies. Available in 3 different configurations and featuring super bright wide-angle LED chips, to create a wide dispersed light while drawing very minimal current. The touch switch easily controls the on / off functions while maintaining a fully waterproof IP67 rating.

Important

Please be sure to read and save the entire manual before use. Misuse may result in damage and/or cause harm or serious injury. Read the manual in its entirety before using the unit and save the manual for future reference.

Operation Instructions:

- Connect to power source.
- **Short press** the touch switch to control the colours of the LEDs from White / Orange / White & Orange
- **Long Press** (push & hold) to adjust the brightness
- The light has a memory function and will revert to the previous colour & brightness settings if power is lost and restored.

Warranty Information

Our product is guaranteed to be free from manufacturing defects for a period of 2 Years.

If your product becomes defective during this period, We will repair, replace, or refund where a product is faulty; or not fit for the intended purpose. This warranty will not cover modified product; misuse or abuse of the product contrary to user instructions or packaging label; change of mind and normal wear and tear.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and failure does not amount to a major failure.

To claim warranty, please contact the place of purchase. You will need to show a receipt or other proof of purchase. Additional information may be required to process your claim. Any expenses relating to the return of your product to the store will normally have to be paid by you.
